

## A6 RK05 Tester Cable Adapter Board v3 ordering instructions

The following instructions serve as a guide to order RK05 Tester Cable Adapter Board printed circuit boards directly from JLCPCB.

Since building this board requires soldering only a small number of through-hole parts and some minor mechanical assembly, there is no need to have JLCPCB perform any of the assembly.

JLCPCB ordering options that are different from the default options:

- Click “**Add gerber file**” and upload the Gerber file:  
“Gerber\_PCB\_RK05-Tester-Cable-Adapter-v3\_2024-09-05.zip”
- *PCB Qty*: select the desired quantity
- *Surface Finish*: **ENIG**
- *Gold Fingers*: **Yes**
- *Chamfer*: **30°**
- Click “**SAVE TO CART**”
- Click “**View Cart**”
- Click “**Secure Checkout**” and enter the requested information. Choose the Shipping Method that best suits your delivery time and cost goals.
